

If **it** hit the **fan...** could **you** continue **business as usual?**

No matter how small your organisation is, have you considered how it would cope with situations such as:

- Your **office inaccessible** for days due to fire, terrorist threat, flood or power outage?
- Problems with critical **computer systems?**
- **Key staff unavailable** due to transport disruption, crisis, severe illness or unexpected leave?

If your clients or government authorities haven't yet asked you for your

Business Continuity Plan...

they will soon!

Protect your business from issues affecting continuity, cash flow, reputation, client satisfaction or compliance. Even reduce insurance premiums. It is

simple and affordable

by using the 'Business As Usual'

Small Business template

Simply fill-in the gaps of the **Business Continuity** template - which has been tailored to **small and service providing businesses** - and modify it to suit **your** needs.

FREE initial set-up support and
FREE ongoing online support provided.*

This package enables you to have your plan in place with
minimal effort and **low cost**.

Guaranteed to save you **days!**
Once your initial plan is complete, you will also receive a
certificate of competence.

E-mail info@businessasusual.net.au now to **order** the template for **\$249** (incl GST/VAT).

business

as usual

The template has been developed in accordance with **government standards and guidelines**, including British and Australian Standards, APRA and DR11 (USA).
